

CYSA District 5
Division 3 Playing League
Volunteer Scorekeeper Information

This form should be completed by the volunteer scorekeeper, so that he/she is fully aware of what is expected and will be committed to completing the task.

Volunteer Scorekeepers are needed for each of the nearly thirty flights of Division 3 teams. Volunteers are responsible for collecting scores from all the teams assigned to the flight they are recording scores for. This involves receiving phone calls, faxes, or emails from each team in the flight, on a weekly basis, throughout the season. If a team fails to report, the scorekeeper will need to follow up and get the game scores. Following the final game, scorekeepers submit all records to the District 5 Division 3 Coordinator, for the purpose of determining final standings. A packet including game schedule, scorekeeper worksheet and complete instructions will be sent to the scorekeepers when all scorekeepers are identified and schedules are complete.

Volunteers may be team members, board members, etc. Every effort will be made to assign volunteers to keep scores for the flight their team is participating in.

All of the following scorekeeper info is required. Please put an asterisk (*) next to items that may NOT appear on game schedules (home address, etc.). Game schedules will be distributed to all teams. Please print all info legibly!
